

2016/17 COURSES AND PRICES

All courses are designed for complete novices and experienced woodworkers alike and must be booked in advance.

Courses run on weekdays only, if staying over a weekend then the Friday or Monday courses work well in conjunction with a weekend stay.

The two hour Spatula making course requires two participants to start a new course on a new date.

The one & two day courses can be started by just one participant starting a new course of their choice on a date that is convenient to them.

Additional attendees can then join the existing courses up to a maximum of 4 participants per course. Once one person has booked a new course on a new date this course will go ahead regardless of whether there are 1, 2, 3 or 4 participants booked in by the day of the course.

Our exceptionally low tutor/guest ratio enables us to give much more personal attention to our guest's requirements as well as enabling us to safely make the experience entirely hands on rather than the more common larger group "watch and listen" courses.

At lunchtime Pies can be bought and heated through in the field kitchen or please bring a packed lunch if you prefer.

The minimum age for all courses is 18.
